BAHADUR KHAN PATHAN

6350562100 | Info.bahadur6350@gmail.com | Portfolio | Bhilwara, Rajasthan, India

PROFESSIONAL SUMMARY

DevOps Engineer with 3+ years of hands-on experience in AWS Cloud, CI/CD automation, Kubernetes, Terraform, and GitOps practices. Skilled in building scalable, highly available cloud-native infrastructure and automating deployments to improve delivery speed and system reliability.

TECHNICAL SKILLS

Cloud & IaC: AWS (EC2, VPC, ELB, S3, RDS, IAM, Route53, CloudWatch), Terraform
CI/CD & GitOps: Jenkins, GitHub Actions, ArgoCD, Helm
Containers & Orchestration: Docker, Kubernetes (EKS, HPA, Ingress, Services)
Monitoring & Logging: Prometheus, Grafana, CloudWatch, ELK Stack
Others: Linux, Bash Scripting, Git, Nginx, Ansible, Trivy

PROFESSIONAL EXPERIENCE

DevOps Engineer — HireKart Technologies Ltd *Nov 2024 – Present*
US-based client focus | CI/CD, Cloud Infrastructure, GitOps

- Migrated on-premises applications to AWS (EC2, VPC, ELB, Auto Scaling) and automated infrastructure provisioning using Terraform (VPC, RDS, IAM, S3, Security Groups).
- Designed end-to-end CI/CD pipelines using Jenkins & GitHub Actions, integrating Git, Docker, and Kubernetes with GitOps delivery via ArgoCD and Helm charts.
- Set up Kubernetes clusters, deployed microservices with Ingress, HPA & Services; containerized apps using Docker reducing deployment time significantly.
- Managed AWS networking (VPC, Subnets, Route Tables, NAT, NACLs), maintained DNS via Route53, and configured S3 backup automation, AMIs, EBS and RDS maintenance.
- Monitored infrastructure using CloudWatch, Prometheus & Grafana with alerts and dashboards; configured ELK Stack for centralized log management and shell scripts for automation.

Software Engineer — Durapid Technologies Pvt Ltd *Mar 2023 – Oct 2023*
Frontend Development | Angular, REST APIs

- Developed responsive web applications using Angular (v12+), HTML, CSS, and TypeScript.
- Integrated RESTful APIs and built reusable modular components for scalability.

CERTIFICATIONS

- AWS Certified Developer – Associate
- Docker Certified Associate (DCA)
- Certified Kubernetes Application Developer (CKAD) – Basics

EDUCATION

MCA – Computer Science & IT | MAHGU University *2024 — 75.77%*
BCA – Computer Science | MSU Ajmer *2024*
